

Help Our Cause! Help Your Wallet! *help the planet!*

In the past you've helped us recycle empty printer cartridges for our fundraising efforts, well now you can purchase 100% high-quality guaranteed, remanufactured printer cartridges and help us raise even more!

Did you know that buying recycled/remanufactured printer cartridges can save you up to 50% on printer ink, in addition to saving millions of pounds of waste from landfills every year! Now when you purchase quality remanufactured printer cartridges through the C.A.R.E. program, we will receive a **15% donation** from every purchase you make.

here's how it works

- 1 Go to: www.theCAREprogram.com
- 2 Enter our "Cause ID Number":
- 3 Shop from a list of over 300 high-quality, U.S. remanufactured printer cartridges
- 4 Check out! Your order will be shipped to you directly and we will receive a **15% donation!**
It's that simple.

100% Satisfaction Guarantee!

For nearly 10 years, Focus brand inkjets have been the cartridge of choice for smart consumers who demand great print quality, a better value and environmental responsibility. Proudly remanufactured in the USA, Focus brand inkjet cartridges epitomize the quality and performance you expect and count on. Each cartridge is backed by a one year 100% satisfaction guarantee.

Focus brand cartridges are available for the following printers:

HP • LEXMARK • DELL • CANON • EPSON • SHARP

Why Buy Recycled?

Consider this, more than 300 million printer cartridges end up in our landfills every year. This translates to nearly 850 million pounds of waste. Stacked end to end, these discarded cartridges would cover a distance of about 24,000 miles. That's enough distance to circle the earth!

As a consumer, you have a choice! Each time you purchase a remanufactured printer cartridge you are preventing approximately 3lbs. of waste from ending up in our landfills forever!

We receive a
15% donation
every time you purchase using our
