

Recycle your bottles and cans to raise money for PTA

- Take plastic, aluminum & glass beverage containers with the “CRV” symbol to an area redemption center for cash back. Containers should be clean, empty and sorted by material. The closest redemption center is next to the Pavilions at Oso and Marguerite. For this center only, all lids must be off bottles.
- The redemption center will give you a voucher, which you’ll trade for cash inside the grocery store. Keep your receipt.
- Return cash or check made out to “Oso Grande PTA” plus the receipt to the school office.
- All money will be used to support PTA programs.

**For additional redemption centers or information
